

Argus PT Lite

Smart Wireless Pan & Tilt Security Camera with 3MP Super HD

Standalone

Works without a base station, extra settings, or subscription fees.

Smart Detection

Detect people and vehicles to provide accurate alerts.

Two-Way Audio

Talk to anyone in front of the camera in real time.

Pan & Tilt

Pans 355° and tilts 140° to cover a larger area.

Clear Night Vision

See clearly even in low light with 6 infrared LEDs.

Battery/Solar Powered

Keep the juice flowing with a long-lasting battery or solar panel.

Time Lapse

Capture and review hours of footage in just minutes.

Remote Access

Check your property anytime anywhere via App/Client.

Smart Home

Works with Google Assistant or Alexa for hands-free control.

Standalone Security, Hassle-Free

Enjoy smart features without a base station, complex settings, or subscription fees. Installation is a breeze for your peace of mind.

Focus on What Truly Matters

Get alerts only when people/vehicles are detected, greatly reducing false alarms of unnecessary events.

Larger Coverage in 3MP Super HD

Rotate 355° horizontally and 140° vertically to monitor larger areas in 3MP clarity with a single camera.

Eco-Friendly & Cost-Saving

Spend less time charging with a long-lasting rechargeable battery. Or connect to a solar panel for continuous power.

Safe & Secure Storage

Store your footage on our secure Reolink Cloud or an up to 128GB microSD card. Never miss a moment.

Gallery

One App/Client for All Control

Stay connected to your home or business anytime, anywhere.

Privacy in Your Hands

We made it a priority to ensure that your privacy is protected and your data is for your eyes only.
