

## Key Features

- 22,000:1 contrast ratio
- SuperColor™ technology
- 5 colour modes
- Auto power off
- Vertical keystone

## Product Description

The ViewSonic PA503XE offers impressive visual performance to improve presentations, ideal for use in small business meeting rooms and classrooms. Packed with 4000 ANSI Lumens of brightness and a 22,000:1 contrast ratio, this projector is guaranteed to reproduce the finest of details regardless of the amount of ambient lighting present. ViewSonic exclusive SuperColor™ technology offers a wider range of displayable color for projected images with true-to-life color accuracy. Users can choose from 5 color modes, including standard, brightest, presentation, photo, and movie mode, to select the mode that best suits their needs based on their usage scenario. In addition, the energy-saving SuperEco mode of PA503XE reduces power consumption and extends the lamp life by up to 15,000 hours.

## SPECIFICATION

|                                    |  |
|------------------------------------|--|
| Native Resolution:                 | 1024x768                                   |
| DC type:                           | DC3  |
| Brightness:                        | 4000 ANSI Lumens                           |
| Contrast Ratio with SuperEco mode: | 22000:1                                    |
| Display Color:                     | 1.07 Billion Colors                        |
| Light Source:                      | Lamp                                       |
| Light source life (Nor/SuperEco):  | 5000/15000                                 |
| Lamp Watt:                         | 190W                                       |
| Lens:                              | F=2.56-2.68, f=22-24.1 mm                  |
| Projection Offset:                 | 120%+/-5%                                  |
| Throw Ratio:                       | 1.96~2.15                                  |
| Image size:                        | 30" - 300"                                 |
| Throw Distance:                    | 1.19m-13.11m(100" @3.98m)                  |
| Keystone:                          | ±40° (Vertical)                            |
| Optical Zoom:                      | 1.1x                                       |
| Audible Noise (Eco):               | 27dB                                       |
| Resolution Support:                | VGA(640 x 480) to FullHD(1920 x 1080)      |
| HDTV Compatibility:                | 480i, 480p, 576i, 576p, 720p, 1080i, 1080p |
| Video Compatibility:               | NTSC, PAL, SECAM                           |
| Horizontal Frequency:              | 15K~102KHz                                 |
| Vertical Scan Rate:                | 23~120Hz                                   |

## INPUT

|                                     |          |
|-------------------------------------|----------|
| Computer in (share with component): | 2        |
| Composite:                          | 1        |
| Audio-in (3.5mm):                   | 1        |
| HDMI:                               | 1 (Back) |

## OUTPUT

|                    |    |
|--------------------|----|
| Monitor out:       | 1  |
| Audio out (3.5mm): | 1  |
| Speaker:           | 2W |

## CONTROL

|                             |   |
|-----------------------------|---|
| RS232:                      | 1 |
| USB type mini B (Services): | 1 |

## OTHERS
